Sale Of Local Aluminum Plants Is Suggested

The immediate sale of government-owned Torrance aluminum plants today was being urged by county supervisors. Board action was taken on a resolution by Supervisor John Anson Ford, who stated heavy increases in population during recent years and the location of many new industries has created both a present and potential market for the products of aluminum plants.

The properties involved are valued at \$35,000,000. **BUSINESS EXPANSION** A total of \$26,639,000 was invested in business expansion in October in Los Angeles.

Fourth Straight Win For Little Johns Gridsters

In last Saturday's Junior Division Touch Football League play at the Torrance city park, the high stepping Little Johns team took a firmer hold on first place by virtue of their fourth straight win at the expense of the scrappy Air Devils team.

Late in the first quarter, Gary Franklin threw a left-handed pass to Ralph Stranridge in the end zone for 6 points, Gary followed through for another point by flipping a neat pass over the goal to "Doc" West Downing, making the score 7-0 at the end of the quarter.

Franklin again stepped into the limelight in the second quarter by intercepting an Air Devil pass in mid-field, running all the way to the goal for a touchdown. Charles Begue added the extra point by catching a pass in the end zone which was propelled to him by Capt. Boyd Crawford. Halftime score 14-0.

In the fourth quarter the Air Devils lowered their horns and broke through onto the scoring sheet when Capt. Glen Mitchell snorted through the right side of the line from the 35 to 2, and on the next play he shot a bullet pass to Rano Sullivan in the end zone for a touchdown. Crawford slapped Mitchell's conversion pass to the ground, which left the score 14-6.

The Little Johns twisted the Air Devils tall again when this "guy" Franklin stepped up and threw a perfect touchdown pass to Crawford, and added fuel to the fire that consumed the "Devils" with a conversion pass which Crawford again clutched to his bosom. Final score 21-6. The first game which was slated for the Sea Hawks to meet the Stars proved to be another "Dud" as the Stars only

Pacific Clay Loses To TAL In Close Game

The Pacific Clay Products invaded the Torrance City Park last Sunday for the first time since the August league playoff and almost took TAL down the line for a defeat. The only thing that kept them from doing it was the TAL home nine.

Lefty O'Reagan had the PCP swinging on a slow ball most of the time but couldn't keep their shortstop, Schmidt, from beating out the lone home run of the day. Detroit's Crawley took the bat by the handle 4 times but couldn't find Left's slow ball.

Little Buck Kuhn pounded out 3 safeties to lead the team over Jimmie Daniels and Harold Jackson who collected two each. Batteries: Torrance American Legion—O'Reagan and Bennett. Pacific Clay Products—Vivalda and Bennett.

TAL . . . 8 hits, 4 runs, no errors. PCP . . . 8 hits, 3 runs, no errors. **TAL VS RED BIRDS** Torrance American Legion team plays Goodman's Red Birds this Sunday at the Torrance City Park, R. C. Jackson, TAL manager announced last night.

THE CAR THAT'S REALLY NEW!

1946 OLDSMOBILE

OFFERING THE NEW GENERAL MOTORS HYDRA-MATIC DRIVE

NO CLUTCH PEDAL

Hydra-Matic Drive is a combination of a fluid coupling and a fully automatic transmission. Gears shift automatically through all four forward speeds, and there's not even a clutch pedal in the car!

WITH MANY NEW ADVANCEMENTS

"Look to Olds For All That's New!" Look to America's oldest motor car manufacturer for the newest, smartest thing in 1946 models—and the newest, simplest way to drive. The 1946 Oldsmobile, with General Motors' new and finer Hydra-Matic Drive, is here now—for all to come and see!

And it's truly NEW in every sense of the word. The appearance is different from any previous Oldsmobile—with newly tailored lines, smart new front-end design, and newly appointed Bodies by Fisher. The performance is new, due to smoother and livelier "Fire-Power" engines.

There are many new advancements throughout the chassis to provide greater ruggedness and reliability. Hydra-Matic Drive is new, too. First introduced by Oldsmobile in 1939, and thoroughly battle-proved in fast Army tanks during the war, this great General Motors development has now been made even finer, smoother, and longer lasting than ever . . . for the new 1946 Oldsmobile.

You are invited to come in, see and inspect this great new General Motors car. Oldsmobile has been building quality automobiles for nearly fifty years. This newest Oldsmobile is by far the finest—the best-built Oldsmobile of all time.

Amateur Fights In Wilmington Bowl Outdrawing All Other Arenas In So. Calif., Report

When the Wilmington Bowl opens its doors tomorrow night (Friday) for another all-action, eight-bout amateur boxing show it will do so with the encouraging knowledge that it is now rated the No. 1 amateur arena in Southern California by the State Athletic Commission.

Tomorrow's show will begin at 8:30 p.m. State Athletic Commission officials revealed to promoter matchmaker Joe Craig early this week that figures now show the Wilmington Bowl to be outdrawing every amateur boxing arena in the Southland including the long-established Jeffries' Barn and the Southwest Arena.

The Bowl, since its opening crowd of 1200, has played before crowds of more than 2000 each better than two months of existence, and can show an average weekly attendance of slightly more than 1700—which, according to the State Commission, far surpasses all competition south of Bakersfield.

Tomorrow's program figures to carry on the "good work" of Craig, who seems to have a knack for matching boys who want to mix it.

Angel Chavez, baby-faced favorite of the Terminal Island Naval Air Base boxing stable, who stole last week's show with one of the greatest slam-bang battles of the season, will engage Ronald Lighthill, a sailor protege of the Long Beach YMCA boxing instructor, Harry Lieberman. They are junior middleweights. Jack Tobin, another sailor just off a battleship being de-commissioned at San Pedro, and Phil Lishey, who fought a stirring draw in their contest last Friday, have signed for rematch

Narbonne Five Awaits Chance To Start Game

Tomorrow, Narbonne's varsity basketball team travels to Gardena for its first official league game. Basketball season started last Tuesday but Narbonne drew a bye.

So far, since basketball practice started, Narbonne has played seven practice games. These games were with Hamilton, Redondo, Venice, Fremont, Long Beach Poly, Inglewood, and Long Beach Jordan, the latter being played last Tuesday.

Narbonne will have some close competition in basketball this year in the way of Ranning High School, who claim that they are going to be Marine League Champs.

Well, that will be found out soon enough. Narbonne's Bee basketball team has not been as lucky as the varsity team, being beaten three times in seven starts. The Bee team plays at the same school as the varsity team.

The Cee and Dee teams, which are made up of boys too small and without enough experience for Bee, have just been organized and have played only one game each with Huntington Park, both teams were defeated by the more experienced opponents.

Also on tomorrow's program is the annual Junior-Senior football classic. Both the Juniors and the Seniors have quite a few Varsity and Bee football players. It is the belief of the Seniors that they are going to

COLISEUM USE CITED
Contending that since the Los Angeles memorial coliseum was erected by the people and paid for from tax funds, Supervisor Leonard J. Roach said today that it is reasonable to expect more intensive use of the plant will be made for the benefit of the public.

DIRECTOR APPOINTED
Appointment of Charles A. Brown, San Francisco social security and workmen's compensation authority, as director of the Social Security department of the California State Chamber of Commerce has been announced.

beat the Juniors, but the Juniors feel that "dope bums" (the seniors) don't stand a chance against their mighty onslaught.
